Dear Friends,

As Leader of Canada's New Democrats, please accept my warmest wishes for a successful second annual, Walk to End Social Isolation, on September 21st.

I would like to thank all of the organizers and volunteers involved with *Beyond the Conversation* for spearheading this worthwhile initiative. I wanted to let you know personally how much I appreciate your commitment to reach out to community members – tackling social isolation by offering individuals the opportunity to get involved and connect with a supportive network.

Every citizen deserves to feel connected to their community. It's so important that we understand how we are all connected – how we can lift each other up, take care of each other, and build a better community! Let's work together on finding the solutions that will help build strong, vibrant communities, and a more just and fair Canada.

On behalf of Canada's New Democrats, please accept my best wishes for an inspiring community event.

Best regards,

Jagmeet Singh, MP Burnaby South  
Leader, Canada's New Democrats
